STEWARDSHIP SNIPPET for May 19, 2024, Day of Pentecost

Psalms 104:24, 25 – O LORD, how manifold are your works! ... The earth is full of your creatures.

Yonder is the sea, great and wide, creeping things innumerable are there, living things both small and great.

We sometimes forget that animals, fish, birds, insects and reptiles are also creations of God that need to live. As stewards of creation, we honor all living things and work to ensure that they, like us, have safe, clean, abundant habitat.
